## HOW THE EPAS GREEN TYRANNY IS STIFLING AMERICA ENCOUNTER BROADSIDES

Encounter Books. Paperback. Condition: New. 56 pages. Dimensions: 6.8in. x 4.6in. x 0.3in. The relationship between environmental regulation and economic growth has gone from dysfunctional to disastrous under the leadership of Barack Obamas USEPA Administrator, Lisa Jackson. Jacksons EPA has assumed broad new powers and promulgated sweeping new regulations unlike anything that America has seen since the Clean Air Act and Clean Water Act were signed into law forty years ago. While much of the public has focused on the EPAs plans to regulate greenhouse gas emissions, the Agencys power grab extends into far more areas of society and the economy than fossil fuel use alone. Rich Trzupek explains why Obamas EPA is different and more dangerous, than any other since the Agency was created forty years ago. From the oceans to consumer products, from the manufacturing line to the showroom floor, the tentacles of this EPA are silently creeping into more and more parts of our lives as Lisa Jackson smilingly assures the nation that everything the EPA does generates revenue rather than costing industry billions of dollars and America hundreds of thousands of jobs. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
