Healing without Medication: (FREE Bonus Included) 25 Best Alternative Recipes to Stay Healthy Without Pills During the Whole Winter The time of year has come again when we find that we are always sick. It s so hard to determine where to go and what to do when you and those around you are sick all the time. When you are battling a cold or the flu, you want to stay home, but you only have a precious few sick days at work, so you muster up the energy and you go to work. The problem is that so does everyone else, so the germs and the viruses just get passed from person to person, mutating and growing as the season continues. The same goes for our family members, too. We want to keep our children home when they are sick, too, but who is going to take care of them. We have to go to work. We can t just take time off the first sign of a little snuffle or cough. And every parent feels the same frustrations. We d like to change the system, but it just doesn t work that way. But we re here to offer a new way of thinking, a new solution. There are home remedies that you can do from the comfort of your own home that can bring relief to you and your family at the first sign of an illness. There are also preventative measures that you can take to help everyone, too. These DIY home remedies are great for...
