*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

Branden Publishing Co ,U.S. Paperback. Book Condition: new. BRAND NEW, Three Plays: WITH Countess Julie AND The Outlaw AND The Stronger, August Strindberg, E. Oland, W. Oland, The three plays in this volume focus on the tumultuous relationships between men and women, whether they are father and daughter, brother and sister or lovers. "Miss Julie" is a ruthlessly realistic depiction of an upper class woman's seduction of a servant, emphasizing the differences and the antagonism between them. In "The Father", a man is brought to madness and driven out of his home by the suspicion that his daughter is not his own child, while "Easter" centres on a family in need of redemption for its sins and suffering, finding forgiveness at a season of rebirth. Strindberg's acute psychological analysis and his dramatization of naked emotion within a naturalistic domestic setting make him one of the great innovators of the modern theatre.
