## DREAM HOUSE: BLUEPRINTS TO A HEALTHY HAPPY HOME (PAPERBACK)

Overboard Ministries, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dream House takes its readers on a room-to-room tour beginning in the kitchen and finishing in the garage. Each room gives a description of the problem or need this room represents, followed by a solution based upon biblical principles. Some of the issues we deal with are: character development, purpose in parenting, honor becoming a habit, the family calendar, vital information our children need, discipline, etc. At the end of each chapter, there are questions for individuals or small groups to answer and discuss. Many parents begin raising their children without the necessary blueprints or tools to build a healthy and happy home. As a result, their home is unstable and unhealthy, resulting in frustration and despair. The purpose of this book is to provide blueprints of biblical truths and practical insights that will help parents construct a Dream House of their own. Those who read Dream House, will: \*Understand the importance of modeling character, godly passion, and a healthy marriage to their children. \*Be able to pass on biblical principals that will position their children to succeed in life. \*Learn effective ways to communicate love, acceptance, and hope to their children, with practical examples that are parent friendly. Dream House will also describe what a healthy home looks like, provide specific principles that will enable parents to succeed, as well as encourage parents through the building process of their Dream House.
