

Close to Me, But Far Away: Living with Alzheimers (Paperback)

By Burton M. Wheeler

University of Missouri Press, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. Each day Burt Wheeler is plagued by the same question. When did it happen? If only he could pinpoint the beginning, then maybe somehow he would be able to make some kind of peace for himself. He vividly remembers when the doctor diagnosed Kee, his loving wife of over 50 years, with Alzheimer-type dementia. But, as hard as he tries, it's impossible for him to determine when his wife's dementia started. He remembers her bout with depression, but that, he thinks, was surely due to her breast cancer. There was their dream vacation to Greece when Kee seemed so tired and indifferent. There were the unopened books, when reading had always been such a source of pleasure to her. And, he recalls, the dramatic personality changes with friends, and even with family. Wheeler started writing this book as a form of self-therapy when he found himself thrust into the role of caretaker to his wife - a role for which he was totally unprepared. He wrote in memory of the very special woman his wife had been - a wonderful mother, charming...
