By Greening Nursery Company

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Greening s Book of Nursery Products And from its humble beginning, away back in 1850, this business has been gradu ally changed from a business to an institution. Institutions are permanent. Perma nemce is an asset. Hence it is, that through the long years of active practice and theory the Greening Nursery Company have by the process of elimination reached the point where every step taken is on sure ground - they have built Wisely and thus it is that-the quality of the stock grown is so superior that it has no equal. If this be true then the Greening Nursery Company is but the lengthened shadow of the late J. C. W. Greening, founder of Greening s Big Nurseries, who was a professional gard ener in Germany. He came to America in the forties and began the nursery business in Monroe in 1850. He was the father of Charles E. Greening, now President of The Greening Nursery Company, and one of the best posted men on the nursery and landscape business in America. About the Publisher Forgotten Books publishes hundreds...
