When Washington Territory was created, the narrow, isolated Okanogan River Valley was considered a wasteland and an Indian reservation, the Chief Joseph Reserve, was established there. But when silver was discovered near what became Ruby City, the land was re-appropriated, and the Native Americans were moved to a more confined area. The Okanogan was then opened up to white homesteaders, with the hope of making the area more attractive to miners. The interconnected dramatic monologues in *Oh How Can I Keep On Singing?* are the stories of the forgotten women who settled the Okanogan in the late nineteenth century, arriving by horse-drawn cart to a place that purported to have such fine weather that a barn was unnecessary for raising livestock. Not all of the newcomers survived the cattle-killing winter of 1893. Of those who did, some would not have survived if the indigenous people had not helped them.
