Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Journey In, Through, and Beyond Pain.In 1992, Allen Boyle, a successful businessman, was hit by a sudden, searing pain in his head, sending him to the emergency room. Eventually he was diagnosed with a cyst in the brain-a condition that would have a tremendous impact on his future, both physically and spiritually. After 23 surgeries, Allen has learned a little something about pain. But he has also gained some valuable insights into the benefits of pain and loss-that there is hope and purpose behind suffering. He has discovered the secret to coping with pain-both mental and physical-and he shares his findings in a way that all readers can relate to. His hope is to encourage and give comfort to others, even as God has encouraged and comforted him. .Rejoicing Comes in the Morning is a powerfully moving testament of courage, faith, and hope. Allen Boyle is living proof that his message and teaching on the subject of pain are grounded in the eternal reality that God is purposeful and that all things work together for the good of those who love God. (Romans 8:28, HCSB). On that foundation of belief and understanding, Allen presents evidence from his personal journey, with clear and compelling support from Scripture, that the power to help others in times of crisis and pain emanates from the suffering that God allows to come into the lives of faithful Christians. Without a doubt, .Rejoicing Comes in the Morning will comfort and strengthen many of its readers who are struggling to make sense out of their own or others pain. - Dr. Gene A. Getz, President, Center for Church Renewal.
