Brand New Book ***** Print on Demand *****.Figmalia is a land where all of the magical creatures that were ever written about actually exist! However, there is an evil force trying to destroy the delicate balance in which Figmalia exists and it is in danger of being destroyed! In this second book, in the Figmalian trilogy, Ally and her friends continue on their adventure to collect all the crystals and save Figmalia. Book II, follows Ally, a 10 year old with ADHD who must not only overcome her difficulties with focus, but also hellhounds, slimy overgrown rats and the rising evil power that continues to drain the Figmalia of all its magic. Ally is joined by her friends, Skeet, Lily, Mookie and Demetrius, and of course, her dog Kodak, as they continue to save Figmalia from utter destruction. Ally has to find her inner strength to overcome her fears and doubt in herself in order to continue this quest, but will she be able to do it in time? This is a great book for kids who are resistant to reading! Get your child with ADHD into reading by offering them this trilogy! Lots of adventure boys will love, with a strong female heroine that girls will want to emulate! Great for middle readers!.
