CASCADE BOOKS, United States, 2016. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The radical interdependency of justice, compassion, and solidarity of community working for the common good are ideals celebrated in the religious Ways of humanity. Human beings at all times and in all places have known what is good, but for reasons too numerous to count have failed to act justly and compassionately in communal harmony with one other and with the sentient beings with whom we share life on planet Earth. Today the major justice issue confronting us is human-caused environmental destruction running amok on this planet, the only place in the universe where our species is alive. Accordingly, this book offers socially engaged dialogue between persons representing the world s religious Ways. (The natural sciences are included as a third partner.) The dialogue presented in this book is a powerful resource for confronting and stopping the causes of climate change. But we must do so before it s too late. The dialogue among religious communities has advanced a great deal during the last few decades. The 2015 meeting of the Parliament of the World s Religions moved on from the conversation to the question of how all can contribute to slowing global warming. In this book, Paul Ingram is providing the shared grounding through which, working together, these traditions can contribute to realizing the authentic community they all seek. --John B. Cobb, Jr., Professor Emeritus, Claremont School of Theology In this new gem of a book, Paul Ingram carries on his long-term project of bringing the history of religions into dialogue with science and theology. This time, however, he brings his three-fold focus to bear on how the...
