Reviews

It is one of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Keeley Windler)

IN HER BLOOD

Amberjack Publishing Company, United States, 2015. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. Alex Stone wants to pretend the supernatural doesn't exist. As the owner of a hot new clothing line, the only thing she's killing is her competition - until she gets a phone call from her past. As the Dagger, she was a member of the covert ops team tasked with hunting threats of the supernatural kind. For the super soldiers of Night Command, the rules were simple: take the pills, fight the bad guys, and live to tell no one. After putting a bad-ass vampire on ice landed her in a padded cell, Alex thought she'd left the hunting game for good. Now she's in the orbit of a handsome vampire with a problem. And sometimes keeping secrets bites. Jason Stavros has the best of everything and life eternal. To the human world, Jason was just a poor boy who made it to the top. For a human turned vampire, the fight for a place in the inner circle of the ruling class hinges on one task: convince the best ex-vampire hunting assassin to become his personal bodyguard and save them all. Join Alex, Jason and a new team of young hunters as two worlds unite against a common enemy. As the body count begins to rise, Alex and the Tracker Team fight friends and enemies to find the answers they seek. What's been happening in the dark will finally come to light.
