Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book consists of 56 parables or fables written by me as original works. Subjects cover Scottish Independence, the Referendum Question in Scotland, contemporary Welsh politics, Welsh language history, Welsh and Celtic history as well as contemporary British and European politics. However, I have also received valuable feedback from others - notably Kosovans, Cornish, Manx, Breton and Quebecois, that some of the themes in the work are also universal (as well as relating to their political situation too). I hope therefore to continue to attract other disenfranchised minority groups and provide them with a voice within this fast-growing, mini-United Nations. It is therefore not a book exclusively for Celts.
