## The Fitch Atlas of Railroad Mortgage Maps (Classic Reprint) (Paperback)

By John Knowles Fitch

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Fitch Atlas of Railroad Mortgage Maps This, the second edition of the Fitch Atlas of Railroad Mortgage Maps, is made in loose leaf form to facilitate revision. As revised or additional maps are issued they will be inserted in place of the maps which they supersede. In this way the book will be always up - to - date. As compared with the first edition, the new book shows not only the position of each mortgage upon the railroad s lines, but the relation of each mortgage to the other mortgages on those lines. The first or underlying lien is, in most cases, indicated by a black or heavy symbol, the other mortgages, junior thereto, following from. The black symbols as 2d, 3d, 4th, etc. In cases where a general mortgage (not indicated by a black symbol) is a first lien on portions of the line, it is shown in the lowest position, other mortgages junior to it having their symbols super imposed upon it. The rule is therefore to read from the bottom up, the first lien being...

### Reviews

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
