Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

A CHINESE FESTIVAL, VOLUME 1

Alfred Music, 2002. Sheet music. Condition: New. Language: English, Chinese. Brand New Book. The anthology series Chinese Festival, edited by Dr. Alton Chan, is a ground-breaking event for the musical community in North America, allowing pianists to study one of the richest and most unexplored musical heritages in the world. The first book in the series is the first-ever album published in the United States that contains Chinese piano music by a Chinese composer using Chinese thematic material and musical idioms. Students all over the world can now be exposed to music using different tonal and modal systems, structural principles, and aesthetic perceptions that underpin Chinese traditional and folk music elements. All performance notes, contents, and titles are given in both English and Chinese.
