Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Regilding the Crescent The title of this book, for which the author is indebted to a friend, is not intended as any cynical allusion to the superficial nature of Turkey's effort at rehabilitation, but expresses merely an open mind on the probability of her success, with a sincere wish that it may be accomplished. The book makes no attempt to tell the thrice-told tale of the Turkish Revolution. Mr. E. F. Knight, the brilliant correspondent of the Morning Post, has done this in *The Awakening of Turkey*; and more recently Mr. Francis McCullagh, whom the author last remembers seeing in that memorable street fight in April, has thrown new light on those interesting events in his *Downfall of Abd-ul-Hamid*. Both books should be read by the student of the most amazing revolution in history, that of Portugal not excepted.
