Thomas Dunne Book for St. Martin s Griffin, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The New York Times Best Seller Amazing . . . the most original travel narrative ever written. --CounterPunch Around the World in 50 Years is the inspiring story of an ordinary guy who achieved two great goals that others had told him were impossible. First, he set a record for the longest automobile journey ever made around the world, during which he blasted his way out of minefields, survived a serious accident atop the Peak of Death, came within seconds of being lynched, and lost three of the five men who started with him: two to disease, one to the Vietcong. After that, Albert Podell set another record by going to every country on earth. He survived riots, revolutions, civil wars, trigger-happy child soldiers, voodoo priests, jihadists, robbers, corrupt cops, and Cape buffalo. He traveled through every kind of earthquake, cyclone, tsunami, volcanic eruption, snowstorm, and sandstorm that nature threw at him. He ate everything from old camel meat and African field rats to dung beetles and the brain of a live monkey. And he overcame encounters with crocodiles, hippos, anacondas, giant leeches, flying crabs--and several beautiful women who insisted that he stop this nonsense and marry them. Around the World in 50 Years is a remarkable and meaningful tale packed with some of the most memorable, frightening, and hilarious adventure stories you have ever read.
