Brand New Book ***** Print on Demand *****.Elle was nothing like her sweet sister Anna and she never really expected to be. She enjoys what men can do for her. She d screwed up big time when she d accidentally caused her sisters fall into the waters overboard, but at the same time it began their greatest adventure. When Elle finds herself in the ghostly way--dead-- everything is put into perspective, but that will not change the feelings she has grown for one man even though she believes him forever lost to her. Elle and Mikel have more in common than she realized. They are both in for a surprise of epic proportions and only time will write their ending. Sent from my Verizon, Samsung Galaxy smartphone.
