CONTEMPORARY CHRISTIAN MUSICIAN S SURVIVAL MANUAL (PAPERBACK)

Lulu.com, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A guide for those in Contemporary Christian Music or those who wish to be. 015 012 015 012It seems that every Christian musician has to 223recreate the wheel 224 concerning fundamental issues which are common to all of us. If you are a Christian and a musician does that mean that God wants you playing Christian music somewhere? Should all music performed by Christians fall within the guidelines of 223ministry? 224 What responsibilities and priorities are appropriate for those who wish to minister through music? How do you deal with the inevitable artistic, ego, and authority issues within the guidelines of ministry? If we 222re successful, how do we juggle fame and money without corrupting or compromising our ministry? Is it even possible? Does the Bible say anything about it? These are some of the questions which I hope to address here.
