

## Scraps

Filesize: 3.83 MB

### **Reviews**

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Little, Brown & Company. Hardback. Book Condition: new. BRAND NEW, Scraps, W. Bagley, In the tradition of Stitch 'n Bitch, a collection of humorous essays about America's obsession with scrapbooking Scrapbooking leads to deeper love, better health, perfect kindness, universal peace, a clearer complexion, and material wealth. Or so says Wendy Bagley, the witty author of Scraps: Adventures in Scrapbooking. Scraps is a hysterical collection of essays celebrating this outrageously popular hobby in all its glory. True "Scrapaholics"--a.k.a. Crop Queens, Photo Fiends, and 35-millimeter Mamas--will rejoice to see themselves reflected in the pages of this one-of-a-kind send-up. Overflowing with helpful hints ("Successful scrapbooking is one percent inspiration, eighty-nine percent perspiration, and ten percent snack food.") and aspirational wisdom (see the chapter titled "World Peace Through Scrapbooking"), Scraps is the perfect gift for the scrapbooking Mom who has everything.
