Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.About Secrets of Soul, God Universe This is a book is to understand the mystery of Soul and its relation with our Universe God. It is the eternal question to understand our basic identity Who Am I . Sciences are not able to answer this question. Our Universe is the physical body of God on which God has full control. All of us want to know the absolute truth. The Maya of God and the limitations of our sense organs are the biggest hindrance in knowing the absolute truth. This book is an attempt to answer this great question. After self-realization we realize that we are one with God. The universe is the Creation and Manifestation of Brahman the ultimate reality. Universe is not different from God and is the physical body of God. Since time immemorial both the yogis and the scientists are busy in searching this Ultimate Truth and the path for salvation of soul. As the ultimate truth is one and can never be contradictory to any scientific or spiritual system, I decided to synthesize both and remove the existing differences and misconceptions between the two. This book is an effort for the same. The main aim of the book is to understand better our relation with universe God. Author has tried his best not to twist any spiritual, scientific or historical fact to prove my point. To an ordinary man the universe around looks real in every sense. But all the Holy Scriptures and great saints have declared the universe as Unreal, a Dream and a Thought in the Mind of God. We are confused and want to know the truth. The Maya of...
