

101 Sample Write-Ups for Documenting Employee Performance Problems: A Guide to Progressive Discipline & Termination

Filesize: 3.43 MB

Reviews

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.

AMACOM, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A complete tool kit for handling disciplinary problems in a fair, responsible, and legally defensible way. There's no escaping problem employees. But with 101 prewritten disciplinary write-ups at a manager's fingertips, there is a way to escape the headaches, anxiety, and potential legal trouble of performance review or counseling sessions. Completely updated and covering the latest developments in employment law, the second edition of 101 Sample Write-Ups for Documenting Employee Performance Problems explains the disciplinary process from beginning to end and provides ready-to-use model documents in print and on disk that eliminate the stress and second-guessing about what to do and say. Expertly written, the write-ups cover every kind of problem: standard work quality, absenteeism, insubordination, e-mail misuse, sexual harassment, drug or alcohol abuse, and more. Readers will also find new information on laying the ground work for a tidy dismissal; tying progressive discipline to annual performance reviews; formally addressing intermittent FMLA abuse; ways to avoid drafting documentation that could later be used against their company; and much more. There is perhaps no more dreaded managerial task than communicating with an employee about a disciplinary problem, but this one-of-a-kind guide helps managers handle any scenario fairly, constructively, and, most importantly, legally.
