Not Sand, Not Sound: A Book Beyond the Future. a Book in the Present. a Book Based on History. a Monument on Linden Lab. a Life Extracted from the Servers of the Nga,

By Traveler3326

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What is the key message, what is my message to you, what is Sand, what is Sound? Is it Sane? A key message has to be short and coming to the point. Here is the key I offer you: To gain in the tsunami of data meaning. By reading the book you will see this is also the mission of the company I worked for most of my life. One side is the overwhelming amount of data our society can only handle by using intelligent software, software of a kind we are no longer able to understand as this software is created by machines . and the other side is meaning. Meaning is the magic in the data. Meaning for you might be the holy words in the Bible, the Rig Veda, the Torah, the Quran, The Tripitakas, The Kojiki. Or have you found meaning somewhere else? Maybe in a lifestyle? Are you searching for the meaning behind the meaning for God in the Machine? Do you want to face your God? Are you ready for the Digital Anthropocene where an endless...

Reviews

A really great publication with perfect and lucid explanations. Of course, it is play, continue to an amazing and interesting literature. I discovered this book from my i and dad suggested this publication to find out.

-- **Dr. Augustine Borer**

A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
