This extraordinary new understanding of the biblical parable of the loaves and fishes reveals within the original Greek text twelve practical methods for living a life of meaning and miracles. In this uplifting work, Dr. Todd Michael meticulously retranslates the parable of the loaves and fishes, and makes an astonishing discovery: Below the surface deep within the subtleties of the original Greek lies a carefully hidden layer of information. Here, the actual technique of the miracle is revealed in the form of twelve precise and realistic steps to extraordinary living.
