By Amy Butcher, Alex Jade

Got G Nads Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Wonder Body is a multi-faceted exploration of the ways our bodies can sense, know, and receive pleasure. Through engaging text, expressive images, and the experience of coloring itself this unusual coloring book creates a rich, multi-modal, somatic experience of embodiment. Explorations begin with the senses (not just the big five), through the seven subtle energy centers, and then on to a wide variety of unexpected portals of pleasure for the reader s (or colorist s) consideration. While coloring can be relaxing and meditative, now it can be enlivening too. The colorist will bring these pages to life, literally moving them from BW to Technicolor. It s an experiential adventure--using mind, body and curiosity--to discover all the potency of your Wonder Body! Wonder Body is 92 pp. and contains 36 full-page illustrations with matching text. There s even a bonus flip book built in for extra whimsical pleasure. Top bound for ease of use by left or right-handed colorists. Convenient 8.5 square format for portability.
