HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, 31 Bond Street, Ellen Horan, Who killed Dr. Harvey Burdell in his opulent Manhattan town house? At once a gripping mystery and a richly detailed excavation of a lost age, 31 Bond Street is a spellbinding tale of murder, sex, greed, and politics in 1857 New York. Author Ellen Horan interweaves fact and fiction--reimagining the sensational nineteenth-century crime that rocked the city a few short years before the Civil War ripped through the fabric of the nation, while transporting readers back to a time that eerily echoes our own. Though there are no clues to the brutal slaying of wealthy Dr. Burdell, suspicion quickly falls on Emma Cunningham, the refined, pale-skinned widow who managed his house and servants. An ambitious district attorney seeks a swift conviction, but defense attorney Henry Clinton is a formidable obstacle--a man firmly committed to justice and the law, and to the cause of a frightened, vulnerable woman desperately trying to save herself from the gallows.
