Mariner. 1 Paperback(s), 2015. soft. Book Condition: New. When a wolf first appeared on the edge of town, residents of Juneau, Alaska, were wary. As the animal they dubbed "Romeo" began to tag along with cross-country skiers on their daily jaunts, play fetch with local dogs, or simply lie near Nick Jans and nap on a quiet afternoon, Jans and the rest of Juneau came to accept the wolf. This 2015 New York Times bestseller is both a memoir and a foray into the science, lore, and history of the wolf."Jans is an exceptional storytellerno nature writer can top him in terms of sheer emotional forceand he frames even the smallest moment with haunting power."NYTimes "[This] is one of the best books I've read in a great many years. It gives heart-wrenching insight into an amazing animal, important insight into the shining side of our relationship with that animal, and important if bitter insight into the dark side. It's told in a quiet, even-handed manner which makes it all the more compelling, and its riveting. In short, this is a real page turnerone that years from now you will remember in all its detail. If you have only the time to read one book, read this one."Elizabeth Marshall Thomas 267.
