Pages Number: 374 Publisher: People's Sports Publishing House Pub. Date :2009-10. This book will introduce the University Group based, so that the reader has a U.S. university sports more comprehensive understanding, and hope that more readers can feel the unique taste of college sports and the University of care and support for China's sports, development of sports in the university to a high-tech level, but also hope for China's sports to improve the overall level of help. Of course, the United States and China University of distribution is significantly different. American universities, especially with the fine tradition of the university's sports, not many professional sports teams located in the small city or university town, often thriving university, college sports so watch the local and surrounding residents is an important part of life. And Chinese universities, especially those with high levels of the university sports teams, in more developed cities, and several universities will be a city, so a particular university athletic performance will not be a high priority. Even so, the U.S. university sports management...
