## Living in God Without God (Paperback)

By Roger Lenaers

Carysfort Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Leadership in the Church has still not taken account of atheistic modernity and its values. God still appears as a majestic figure on a throne up above, promulgating laws like any earthly monarch, and judging and punishing the guilty. Traditional ethics, based on the Ten Commandments which God is supposed to have given to Moses, therefore remains an ethics based on law. In a modern Christian conception of God, however, God is no longer seen as a lawgiver outside the cosmos, but as dynamic fundamental love, whose dynamism is manifested in cosmic evolution. Of its very nature, this dynamism continually drives man to act out of love and in this way to grow in love. This drive precisely forms the root of the ethical imperative. The earlier ethics based on law should now make way for an ethics based on love, the fundamental norm being: everything is good if it is born of love. This book shows the consequences this principle has for traditional moral teaching about sex, property, and obedience-a teaching which has long outlived its usefulness. There are also consequences for bioethics, as the final chapter...

### Reviews

*A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.*
