

## What Never Give Up Looks Like: How to Rise Above the Catastrophe You Never Saw Coming (Paperback)

By Tim Brotzman

WestBow Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens when the good life goes up in smoke and the ashes of your health, hopes, and plans are all that remain? That was Tim Brotzman's reality when a car crash cut a devastating swath through the life of his dreams, leaving him nothing but wreckage, sorrow, and loss. Are you there, now? Are you or a loved one living a life you never expected—a life of uninvited limitation, suffering, and lack? Are you wondering whether you can make, or whether your current life is worth living? What Never Give Up Looks Like addresses these very questions. It describes in plain language a life ravaged by calamity and restored in hope. Raw and redemptive, it proves that when all seems lost—love, physical ability, career, family, and hope—you can arise from brokenness and rediscover life's unrelenting beauty. In this unvarnished account, you will discover how a downward spiral became the upward path to a new kind of wholeness and fulfillment—to abiding victory, the defeat of hopelessness, and the power to share real life with others.
