

## A Hole in the Wind - A Climate Scientist's Bicycle Journey Across the United States (Hardback)

By David Goodrich

PEGASUS BOOKS, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. After a distinguished career in climate science as the Director of the UN Global Climate Observing System in Geneva, David Goodrich returned home to the United States to find a nation and a people in denial. Concerned that the American people are willfully deluded by the misinformation about climate that dominates media and politics, David thought a little straight talk could set things right. As they say in Animal House, he decided that this calls for a stupid and futile gesture on someone's part, and I'm just the guy to do it. Starting on the beach in Delaware, David rode his bike 4,200 miles to Oregon, talking with the people he met on the ultimate road trip. Along the way he learned a great deal about why climate is a complicated issue for many Americans and even more about the country we all share. Climate change is the central environmental issue of our time. But A Hole in the Wind is also about the people Dave met and the experiences he had along the way, like the toddler's beauty pageant in Delaware, the...
