She insists that laughing in the face of adversity is not a form of denial, but a proven tool for managing stress, coping with pain, and maintaining hope. And to prove her point, she presents this funnybone-tickling, heart-touching laugh manual - packed with hard-earned wisdom.and custom designed to nudge you (giggling) down the road to positive living If you re already a Barbara Johnson fan, you know the difference her down-to-earth-but-zany approach can make. You ve learned to decorate hats with geraniums, splash joy in cesspools, and keep your gloomees packed in boxes - and you re more than ready for a new adventure. If you ve never heard or read Barbara s books, you re in for a treat. Either way, this book will put a humor hammer in your hand - and a delighted smile on your face.
