Reviews

This book is great. I could possibly comprehend everything using this published e book. I am easily could possibly get a enjoyment of reading a published pdf.

(Deanna Rath 1)

THE KRISTEVA READER (PAPERBACK)

Columbia University Press, United States, 1986. Paperback. Condition: New. Language: English . Brand New Book. An easily accessible introduction to Kristeva s work in English. The essays have been selected as representative of the three main areas of Kristeva s writing--semiotics, psychoanalysis, and political theory--and are each prefaced by a clear, instructive introduction. For beginners or those familiar with Kristeva s work this is a good complement to The Portable Kristeva with a convenient selection of articles from Kristeva s earlier work some of which are otherwise hard to come by.
