Michael Stephens, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered if God was real? And if He was real, what might be His thoughts about you specifically? What might he share with you if you had the chance to talk to Him face to face? With these questions in mind and with a unique gift, Michael Stephens seized the opportunity to try and help answer these questions for numerous people while working in the marketplace as a barista for Starbucks. Throughout the course of his time serving coffee and espresso, he routinely prayed for and prophesied over hundreds of customers. Soon, stories of -the Starbucks prophet- circulated around the Kansas City community. As more and more customers were ministered to and touched by the presence of God, the testimonies grew. Consequently, people began to venture over to the specific Starbucks location he worked at in hopes of possibly hearing just -what Jesus had to say- about them. With a desire to help people see that God is real both inside and outside of the church, Michael Stephens has taken the gospel into everyday life and seen numerous people encouraged and transformed. In addition to being inspired by the stories in this book you will learn how to encounter God in any arena of life, gain Divine confidence in where He has called you, get a taste of what Jesus actually thinks about you, and be provoked to love in new ways as you rediscover the Jesus who invades everyday life.
