

Stricture of the Urethra: Its Complications and Effects, a Practical Treatise on the Nature and Treatment of Those Affections (Classic Reprint) (Paperback)

By Robert Wade

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Stricture of the Urethra: Its Complications and Effects, a Practical Treatise on the Nature and Treatment of Those Affections I have quoted the Opinions of the most distinguished French authors on Urethral Surgery at greater length than those of the English, because they are less generally known. Of late years, the chief object of the more advanced practitioners has been the practice and advocacy of a conservative mode of treatment in surgical diseases. The result has undoubtedly been a triumph to conservative surgery. Singularly enough, however, the diseases of the urethra, some of the most important of the maladies to which mankind is subject, have been an exception to this rule. Operations have been performed and vaunted abroad, even by men of eminence, which have served to throw a false halo around the proceedings. But it cannot be denied that the brilliancy of these Operations has been dimmed by the results, and that the natural effect must be a return to those unostentatious, but really more efficient modes of treatment which have stood the test of long experience. About the...
