Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.MILF erotica with bonus books. I retired last year. I have always been the boss, and ran the show. I was active in my church, and people said I was respected, refined, and a lady. Been there and done that. I decided to play the slut and be hot. For once. I found a shy, young White guy. He was helpless, and did what I said. And very poor. Perfecto! I was his first ebony adventure. And his Sugar Mama. Even gave him money. Do you want to be inside Sugar Mama? Explore her body, make her do kinky things? Sure? Come on, then. Looking back I should be ashamed. I let him treat me like a street hooker. We did it all. Even a second woman in the same bed. We played games. I did housework naked, let him pretend to spy on me in the shower, and tied him up. Red meat. But I loved it!.
