

## Strategic Leadership and Strategic Management: Leading and Managing Change on the Edge of Chaos (Paperback)

By Shand Stringham

iUniverse, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Leaders and managers face tremendous pressure to keep their organizations moving forward successfully. It can seem like an impossible task amid economic uncertainty and hyper-competition. The roles of leader and manager tug us in opposite directions: managers seek stability and predictability, and leaders usually opt for turbulence and change. With so many companies asking their best employees to be both leaders and managers, it's no wonder that so much of the business world is dysfunctional. This guidebook explains how leader-managers work and how to succeed in both roles. You can learn how to - leverage competing requirements for leading and managing change; - formulate effective operational and developmental strategies; - make decisions that address complex challenges and opportunities; and - help people through the anxiety and trauma of change. Whether you are a student seeking to understand the workplace, an employee rising up the ranks or an active leader or manager, Strategic Leadership and Strategic Management provides you with tools and knowledge to help your organization succeed.
