Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE VENETIAN: BOOK 1: THIS HAUNTED WORLD (PAPERBACK)

Authors Reach, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. From the author of the bestselling Psychic Surveys series, comes a brand new series of STANDALONE books, set in and around the world s most haunted places and blending fact with fiction. In Book One discover Venice, the world s most haunted city and Poveglia, in the Venetian Lagoon, the world s most haunted island . As soon as troubled couple, Louise and Rob arrive in Venice for a weekend break, events take a sinister turn. Louise is convinced that someone - or something - is following her as she and her husband explore the city s labyrinthine-like alleys. Her unease is heightened when they meet Italian couple, Kristina and Piero, in a restaurant one evening, who convince them to take a trip with them across dark waters to the island of Poveglia in the Venetian Lagoon - a former plague island and once home to a mental asylum. It is here that Louise learns about the tragic history of Charlotte Evans, the woman who has been targeting her. A treasure trove of detail, filled with suspense and curiosity and a deftly crafted read you won t be able to put down. CMTS A chilling tale made all the more sinister as Poveglia Island and the folklore surrounding its macabre history is real! Amazon Customer An absolute masterpiece. Sue Barnard Shani Struthers is one of my favourite writers in the paranormal genre and this new series shows that she is moving from strength to strength. Caroline Maston.
