Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Stepbrother Romance. I needed some major discipline in my life. For years I d grown up in an unhappy family with my mother and stepfather, who treated me like garbage and set up a highly dysfunctional household around us. There was one person, though, who seemed to love me more than anyone in the world- my stepbrother. He would have given me the shirt off of his back if I d asked for it. But while he was working to better himself, slowly building up an empire that would eventually make him a billionaire, I was wasting my life with my cruel and unloving high school sweetheart Ryan, stuck in the muck of my unhappy existence. It took a pregnancy scare for me to step back and question what I was doing with myself, and I decided, from that point on, and with the help of my stepbrother, that I was going to start making some major changes to my life. But first, that would require a visit to my stepbrother s mansion, and some discipline involving a blindfold and whips. This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers, contains sexual content and harsh language.
