Take your backyard cookouts to a whole new level. It began with one simple question: What do championship barbecuers love to cook for themselves, when there are no rules but the simple laws of physics and basic chemistry? With more than thirty years of barbecue contest experience apiece, Ardie A. Some of the recipes are former competition winners that have earned a constant place at the family table. Others are foods that teams like to make (and share) while they tend their fires on contest day. A few are old family recipes passed down for generations. And some are even the result of ingenious experiments in the kitchen and at the grill. Most are easy. All are sure to win the hearts of friends and neighbors at your next family cookout. Also included are tips and advice on everything from meal prep to gadgets, some basics to get you started, a few tall tales from the pits, and tons of photos of the dishes and the pitmasters who make them. So pull up a lawn chair, grab a plate, and get ready to sample some out-of-this-world outdoor cooking. This item ships from multiple locations. Your book...
