Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
(Scottie Schroeder DDS)

MANAGING PROGRAM EVALUATION: TOWARDS EXPLICATING A PROFESSIONAL PRACTICE: SPRING 2009

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Managing Program Evaluation: Towards Explicating a Professional Practice: Spring 2009, EV (Evaluation), Michael L. Baizerman, Donald W. Compton, This issue explores the many issues in understanding managing evaluation: an omnipresent, if often invisible process guiding evaluation studies, evaluators, other workers and evaluation units. Contributing chapters first define and then illuminate these matters through four case studies. The central questions in the domain of managing are: OL P: Should the evaluation field recognize managing as a core professional expertise? Should it promote this by legitimizing the preparation of experts and expertise? What should the curriculum, pedagogy, and learning sites be? The authors suggest beginning foci, curricula, and pedagogy in managing evaluation and hope to stimulate reflection and conversation within our profession on how best to manage evaluation in these various contexts and multiple layers. This is the 121st volume of the volume of the Jossey-Bass quarterly report series New Directions for Evaluation , an official publication of the American Evaluation Association.
