Near Planets (Hardback)

By Mason Crest

Mason Crest Publishers, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Get to know Earth's planetary neighbors with a tour of Mercury and Venus, the two planets closest to the Sun, as well as Mars, the planet closest to Earth. Experience the intense heat of Mercury. Dive deep into the misty atmosphere on Venus. And wonder along with scientists if and when Mars has supported life. Amazing images from NASA satellites show the latest discoveries about our fellow planets. The entire series called THE SOLAR SYSTEM is your first-class travel guide to the biggest neighborhood you live in, from the Sun to the planets and beyond! Blastoff on a visit to our solar neighborhood and beyond. This series visits all the planets in our Solar System, visits comets that are just passing through, and in Space Exploration, travels into the universe as human beings seek to find out what's out there. The books are packed with information, stories, photos, artwork, and more, including the latest developments in the always-changing story of exploration and discovery. Each title in THE SOLAR SYSTEM includes color photos throughout, and back matter including an index and other information. Key Icons...
