Royal School of Church Music, United Kingdom, 2016. Mixed media product. Condition: New. Language: N/A. Brand New Book. Following on from the huge success of *The Carol Book* and *Season by Season*, RSCM Press are pleased to announce the forthcoming publication of *All Glorious Above*, a wide-ranging collection covering the entire Church Year for Upper Voice Choirs *All Glorious Above* provides material for the Christian Year aimed at upper voice choirs of moderate competence (sometimes able to sing only in unison or 2 parts). Containing over 100 items, it aims to address all needs for seasonal material, material suitable for special occasions and material of general usefulness. The integral CD-ROM will contain alternative arrangements of many items, e.g. unison, 2- or 3-part arrangements of items which will be in unison in the book; piano accompaniments where the existing accept would not be playable without pedals; items in different keys; simplified versions of items where the vocal range is too wide for the average choir (but not simplified in any other way); items which have been published with updated texts (so choirs have choice between original or updated text).
