Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Cours Elementaire de Droit Public: Droit Constitutionnel, Droit Administratif, Droit Financier Les dimensions modestes de ce livre ne permettent aucune illusion sur le but que nous nous sommes propose en l ecrivant. Ce n est pas un nouveau traite de droit public; ce n est qu une synthese, courte mais substantielle, d apercus generaux, completee par une description plus sommaire encore des rouages principaux de notre organisation constitutionnelle, administrative et financiere. Nous dedions ce volume a cette portion de la jeunesse laborieuse qui n a pas la preparation ou les loisirs necessaires pour aborder l etude des grands ouvrages, et au public desireux de s initier rapidement aux progres de la science juridique, dans l une de ses parties dont il importe le plus a tout bon esprit et a tout bon citoyen de ne pas ignorer au moins les rudiments. Nous osons esperer qu il ne sera pas inutile aux futurs praticiens. L experience generale a prouve qu une formation theorique, simple mais forte, est encore la meilleure disposition a la pratique des affaires; l experience personnelle que les circonstances nous ont amene a faire de la vie administrative, nous a solidement enracine dans la meme conviction. Nos lecteurs profiteront plus dans leur carriere professionnelle des syntheses de principes presentees dans le premier chapitre du titre II de ce manuel, que des details qu il eut etc facile d accumuler sur l organisation des cadres multiples de l administration publique.
