BOOK V: THE BRAIN (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****.Current original manuscript describing the brain parts to body parts connections. Please Note: This book contains the continuation of some new working theories of the brain. It is a research book. An early work. Later, there will probably be a more polished book explaining all the discoveries ideas I have about the brain. But that will take a while. If you like to see ideas as they...
