Vegetable Seeds: A Pictorial Field Guide (Paperback)

By Terry A Woodger

Universal Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This full-color, user-friendly field guide covers the basics involved in the collection, cleaning, and storage of vegetable seeds. Learn from an expert how to overcome pests when storing seeds, and handle environmental factors that may threaten the integrity of your seeds. An introduction to identifying different varieties of seeds will make collecting easy for beginner and experienced collectors alike. Over 120 close-up color photographs of seeds gathered from vegetables are included in this encyclopedia-style guide. Each entry identifies the seed s family, common name, species, genera, and origin, and includes collection methods, a description of the number and color of seeds, useful hints for collection, and notes on growing the source plant. Gardeners around the world will appreciate this useful field guide when harvesting nature s bounty and preserving its genetic material for years and gardens to come.
