INTRODUCTORY STATISTICS FOR THE HEALTH SCIENCES (HARDBACK)

Taylor Francis Inc, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Introductory Statistics for the Health Sciences takes students on a journey to a wilderness where science explores the unknown, providing students with a strong, practical foundation in statistics. Using a color format throughout, the book contains engaging figures that illustrate real data sets from published research. Examples come from many areas of the health sciences, including medicine, nursing, pharmacy, dentistry, and physical therapy, but are...
