## THINKING C++ PART I (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a book that teaches programming in an old and novel way. Rather than use a computer to make sure you are learning to program, this book teaches students to program without using a computer - the way it was done in the beginning of computers. Through this book the student will learn the basics of programming along with the basics of a programming language teaching that language as if it was a natural language - language spoken by human beings. The goal being a better way to reach a person to program.
