

Chinese Massage: For Infants and Children (Paperback)

By Kyle Cline

Inner Traditions Bear and Company, United States, 2000. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. A leading practitioner of Chinese medicine provides a parents handbook of simple massage plans that can alleviate most common childhood ailments. - Effective for colic, bedwetting, asthma, colds, coughs, chicken pox, teething, earache, and other conditions. - Easy-to-use workbook format with 22 illustrated massage plans and step-by-step instruction allows parents to become active caregivers for their children. For over one thousand years the Chinese have brought comfort, relief, and well-being to their children through a sophisticated, yet easy-to-use, system of massage. Now Kyle Cline, a Licensed Massage Therapist trained at Shanghai's prestigious College of Traditional Chinese Medicine, teaches Western parents how to become active caregivers for their children by using Chinese massage techniques to alleviate childhood ailments from the simple (colds, coughs, chicken pox) to the chronic (colic, bedwetting, asthma). Chinese Massage for Infants and Children grounds parents in the basics of Chinese medicine, then illustrates 9 massage techniques, 63 massage points, and 22 complete massage plans. With additional information on a general health plan for all children and on using Chinese herbal remedies, Chinese Massage for Infants and Children...
