FISTING REX: AN EROTIC TALE 65 MILLIONS YEARS IN THE MAKING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The T-Rex is not the violent dinosaur people believe it to be. It is just sexually frustrated. It has a lack of friends to bang and arms so short it makes masturbation near on impossible. Gark, a new hairless ape on the scene, sees this though and he know just what Rex needs. And - more than that - he believes he is just the man to give it to him.
