THE \$800 MILLION PILL: THE TRUTH BEHIND THE COST OF NEW DRUGS (PAPERBACK)

University of California Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Why do life-saving prescription drugs cost so much? Drug companies insist that prices reflect the millions they invest in research and development. In this gripping expose, Merrill Gozner contends that American taxpayers are in fact footing the bill twice: once by supporting government-funded research and again by paying astronomically high prices for prescription drugs. Gozner demonstrates that almost all the important new drugs of...
